HOW TO FOLD A FLAPPING WING PEACE CRANE

To participate in The Peace Crane Project you will need a square piece of paper, plus markers, pens, paint, or pencils.

Blue represents the front side of the paper. Yellow represents the back. Your paper may look different.

1. Fold your paper in half, horizontally.
2. Unfold, then fold in half again in the other direction.
3. Fold upper left corner down to meet the center line bottom.
4. Turn paper over and repeat.
5. Open from bottom and flatten into square.
6. Fold sides of top layer to middle, then unfold.
7. Fold top down to side creases, then lift top layer upward.
8. Create a boat-like shape by folding sides inward.
10. Turn over and repeat folds on the other side.
11. Open to boat shape then flatten.
12. Fold bottom points up, then unfold.
13. Reverse fold the bottom points.
14. Reverse fold one point.
15. Gently curl wings downward.
16. Grip tightly at the base of the neck. Gently pull tail to flap wings!
