

My Peace Pledge

Each crane I fold encloses a thought, a hope, a wish representing my commitment to PEACE.

I believe that my own thoughts, words, and actions make a difference. I believe that we all can and must build the peace every day, in every person, in our family, in our schools, communities, countries, and world.

In making my Peace Crane, I take a stand to:

RESPECT all life

REJECT violence

SHARE with others

LISTEN to understand

PRESERVE the planet

rediscover **SOLIDARITY**
